Term 2

Hedgehogs Y2/3/4

RE

How & why do we celebrate special and sacred times?
This term, we will be thinking about special times that are celebrated. We will then compare different celebrations and consider why people celebrate important events.

Music MFL

Music
This term, we will be composing and perform a rhythm to accompany a story.

French
We will be exploring cognates and learning about different types of transport in French.

Science

Plants
This term, we will continue our learning on plants. We will identify the main functions of a plant, explore how plants use water and make food. We will then test if all plants need the same conditions to stay alive, why plants need flowers, as well as looking at seed dispersal.

Computing

Online Safety
We will begin by focusing on Online Bullying this term. We will then learn how the internet, the World Wide Web and a browser work together. Finally, we will explore the difference between a browser and a search engine, and practise searching for information safely.

English

Charlie and the Chocolate Factory by Roald Dahl
We will be using this text to write an advert and poetry this term. We will revisit sentence structure, persuasive language, rhetorical questions and conjunctions. We will then conclude the term by exploring alliteration, and descriptive language.

Maths

Addition and Subtraction
We will conclude our unit on addition and subtraction this term by subtracting up to two 4-digit numbers (across a 1,000). We will look at complements to 100 and 1000, estimating, inverse operations and using efficient methods.

Multiplication and Division
We will revisit our 2,5 and 10 times tables, then begin to work through multiplications up to the 12 times table. We will use arrays, share and group and increase fluency. We will then multiply by 1 and 0 and divide a number by 1 and itself.

History Art

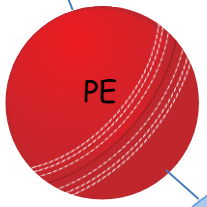

History
This term, we will be learning about the Stone Age. We will look at cave art, tools, daily life and compare the Stone Age to current time.

Art
We will compare prehistoric artwork to that of today and select and apply a range of painting techniques. We will then apply our skills to create a collaborative piece of artwork.

PSHE

Don't hold onto what's wrong
This term, we will look at ways to deal with hurt and the importance of forgiveness.

PE

PE
This term, we will be developing our skills in gymnastics, by working on different shapes to create a small sequence.
